Sermon Notes:
Love Your (Literal) Neighbor Series, Part 2:
“How You Live Where You Live”
Matthew 22:36-40; 5:13-16

1) Why you live where you live (Matthew 22:36-40)

2) Why you live where you live (Matthew 5:13-16)

Questions for reflection and discussion:
- If Christians are like walking billboards for the character of God, what has your life “said” in your neighborhood?
- In a time when Christians and the Church are increasingly associated with negative stereotypes, how can a return to biblical hospitality change its reputation (and therefore the reputation of Jesus)?
- How can you live out Romans 12:18 with the “difficult” neighbors you know?
- How can you extend enemy love (Luke 6:27-36) to those same “difficult” neighbors?
- Are you “too busy” to love your (literal) neighbors? Take some time to do a “life audit” and determine your priorities. What do you need to eliminate or cut back on so you have time this summer to prioritize knowing and loving your neighbors?
