Questions for Reflection and Discussion - Several questions are taken/adapted from The Simplest Way to Change the World by Dustin Willis and Brandon Clements

- Since the start of the “Love your (Literal) Neighbor” series, how have you begun/continued practicing biblical hospitality in your neighborhood?
- What neighbors are you praying for? What next steps can you take to show them (and your other neighbors) biblical hospitality?
- How does God’s hospitality motivate you to live a hospitable life? How should your salvation motivate you to live a hospitable life?
- How can you extend biblical hospitality to your church family at Bethel?
- How can the love of Christians for other Christians allow outsiders to catch a glimpse of the gospel?
- What steps can you take to open your community with Christians to those who are far from God? Who can you team up with in order to show biblical hospitality to your neighbors?
