January 17, 2021 Pastor Mike Osborne Sermon Notes:

"A Community of Life in a Culture of Death" Colossians 3:1-17

| Big Idea: If the | Church is going | to faithfully pro | mote the sanctity | y of human l | life in our | culture, |
|------------------|------------------|-------------------|-------------------|--------------|-------------|----------|
| then we must be | conformed to the | e image of God | by renewing our | hearts in C | hrist. | |

1) The Foundation of the Sanctity of Life is the Image of God.

2) The Distortion of the Sanctity of Life is Idolatry.

3) The Restoration of the Sanctity of Life is Renewal through Jesus Christ.
